Dear Sir. Jagannatham Chetty.

Please see the reminder accompanying urgent [illegible] from the Residency. I think it refers to the confirmation of Dr Smyth from whom I believe a reply has been received. Kindly state if the reply has been sub.d for orders. If not I think Venkatamaraiah should be asked to work up the case & submit it to the Asst. Secy. If however the case has already been submitted (& I think it must have been sub.d as Dr Smyth's letter was received 3 or 4 days back) I shall submit the urgent reminder to the Secy for information.

Yours Sincerely

yes.

P.S. I believe there is another matter (application for the services of another officer) which is also under correspondence

The same letter of 30/8/05 deals with this matter also.

I do not know if by "medical arrangements in Mysore" the Residency refers to this. I believe this case also has gone up for orders.

The Residency comm No 4873 of 30-8-05 treats of the subject of the second medical officer also. In this, the duties devolving on the new officer were asked to be defined. The office note refers to this point also. (Vide pencil note in the margin of the note.

The letter recd from the Senior Surgeon was returned for being submitted as per personal reaction
15.10.05

Mysore,

24th October 1905.

From a perusal of the previous correspondence on the subject of your pay as Senior Surgeon, I find that the telegram sent to you on the 9th May 1905, was not correctly worded, and that the offer of Rs1350-50-1450 plus Rs.500 allowance, was, I regret to find, an error. The wording of the Hon'ble the Resident's letter was as follows :-

" It would be sufficient if he (yourself) is granted a local allowance of Rs.500 in addition to his new grade pay of 1300-1350, and 1450 from the date of his promotion to advanced rank of selected Lt-colonel.

I do not therefore see any practical utility in alluding to that arrangement at present; and it would at all events be more practical if the discussion is confined to the present offer of the Government of India.

I shall be obliged by your considering this aspect of the question and favouring me with a definite opinion as to your acceptance or otherwise of the terms now offered.

I return herewith your official letter on the subject to be modified in accordance with this suggestion.
